Hi! I'm a virtual assistant.
How can I help you today?

Example: Find nearby location

Example: Check account balance

The screenshot shows the IBM Watson Assistant console interface. The top navigation bar includes 'IBM Watson Assistant Lite', 'Upgrade', 'sky bot', and 'Learning center'. The main content area is titled 'Create an account' and features a 'Customer starts with:' section with a dropdown menu set to 'Begin account'. Below this, the 'Conversation steps' are listed:

- Step 1: 'I can help you with that! To create an account, we will need a few pieces of information. Let...' with a 'Continue to next step' button.
- Step 2: 'First, please provide your first name.' with a 'Free text' input field and a 'Continue to next step' button.
- Step 3: 'Thanks! Now, enter your last name.' with a 'Free text' input field and a 'Continue to next step' button.

A 'New step +' button is located at the bottom of the conversation steps. On the right, the 'Customer starts with:' section provides instructions on how to enter phrases that determine the task, problem, or question. It includes a 'Total: 19' count and a list of example phrases: 'Enter a phrase', 'Where do I register for this?', and 'Where do I find guidance on signing up?'. A 'Preview' button is visible at the bottom right.

This screenshot shows the IBM Watson Assistant console interface, focusing on the 'Assistant says' section and the 'Define customer response' configuration. The top navigation bar is the same as the previous screenshot. The main content area is titled 'Create an account' and features a 'Customer starts with:' section with a dropdown menu set to 'Begin account'. Below this, the 'Conversation steps' are listed:

- Step 1: 'I can help you with that! To create an account, we will need a few pieces of information. Let...' with a 'Continue to next step' button.
- Step 2: 'First, please provide your first name.' with a 'Free text' input field and a 'Continue to next step' button.
- Step 3: 'Thanks! Now, enter your last name.' with a 'Free text' input field and a 'Continue to next step' button.

A 'New step +' button is located at the bottom of the conversation steps. On the right, the 'Assistant says' section displays the text: 'I can help you with that! To create an account, we will need a few pieces of information. Let me guide you through this process!'. Below this, the 'Define customer response' section is visible, showing a 'System' tab and an 'Options' tab. The 'Options' tab includes a section for 'As buttons' with options: 'Checking', 'Savings', '401 (k)', and 'Roth IRA'. There is also a section for 'As a list' with the option 'Pay Bill'. A 'Preview' button is visible at the bottom right.
